For Tariffed Services Designated)	Administrative Case

**RESPONSE OF SPRINT COMMUNICATIONS COMPANY L.P.
TO THE ATTORNEY GENERAL'S SUPPLEMENTAL
REQUESTS FOR INFORMATION**

Sprint Communications Company L.P. ("Sprint") now submits its Response to the Supplemental Requests for Information issued by the Attorney General in the above-referenced docket.

- 1. State whether your company has changed any tariffs applicable to plans described, named or marketed as "unlimited" as previously identified in your responses to the Commission's first set of Data Requests, and if so, please attach / enclose copies of same.**

RESPONSE: In September, 2005, Sprint expanded its Unlimited At Home eligibility criteria to include subscription to Nextel wireless service. This action was the result of the Sprint Nextel merger. Before the merger, the Unlimited At Home eligibility criteria required subscription to Sprint wireless service. Attached is Sprint's current tariff which reflects this modification.

Sprint's Commonwealth of Kentucky Tariff P.S.C. No. 4, 2nd Revised Sheet 45.22, Cancels 1st Revised Sheet 45.22 states, "Customers who sign up for Sprint Unlimited at Home service and are new or existing Sprint PCS or Nextel wireless customers will received unlimited minutes of Dial-1 usage for a single Monthly Recurring Charge and no per-minute rate."

In addition, Sprint anticipates filing to withdraw the Sprint Complete Sense Unlimited component of its CLEC tariff on or about January 17, 2006.

Witness: Lil Taylor, Regulatory Manager

- 2. With regard to any such plans, state specifically whether the word “unlimited” refers to minutes of use, area(s) of calling, or both. If the word “unlimited” modifies any other term(s) in the applicable tariff(s), please identify the term(s) so modified.**

Answer: “Unlimited” refers to both minutes of usage and area(s) of calling.

Witness: Lil Taylor, Regulatory Manager

- 3. With regard to any such plans, state:**

- a. whether the tariff indicates that a penalty of any type or sort (including relegating the customer to a different plan) may apply in the event the customer exceeds any limitation on number of minutes included in the plan;**

Answer: Sprint’s unlimited plans do not have usage limitations.

- b. the nature of the penalty;**

Answer: Sprint customers do not incur any penalty for exceeding a number of minutes since unlimited plans do not have any usage limitations.

- c. whether the penalty has ever been imposed;**

Answer: Not applicable.

- d. whether notice of the penalty is provided to the consumer, and if so, identify precisely where in the tariff or other materials (including but not limited to contract, advertising, or marketing materials) any such notice is located, and cite the complete language of any and all such notices(s).**

RESPONSE: Although Sprint's plans do not have usage or area(s) of calling limitations or penalties, Sprint's plans have general usage restrictions. Sprint's Commonwealth of Kentucky Tariff P.S.C. No. 4, 2nd Revised Sheet 45.22 states, "The customer may not use this service for commercial use, for connection to the Internet, for other data services (including a significant amount of facsimile transmissions or data usage per month) or for any other use that does not involve a person-to-person conversation or voice message."

The same tariff states on Original Sheet 45.23 that, "Dial-1 long distance voice usage provided under this service offering applies on a per-line basis only and does not include usage associated with: Sprint FONCARD calls; calls which are pay per use, including calls to 90, 976, 555 and 700 numbers; calls to Directory Assistance; calls which involve an operator service, including emergency interrupt; toll-free service; and usage from multi-party conference calls."

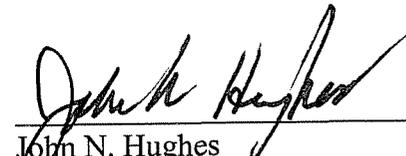

The general usage restrictions are communicated in Sprint's fulfillment packages. The fulfillment package states: "Sprint Complete Sense Unlimited is for Domestic residential voice service usage only. The unlimited minutes of service do not include usage for calls to 900 numbers, Directory Assistance, Sprint FONCARD service, or operator services."

See attached.
